

MONITORING & EVALUATION FOR ADAPTATION

A Guide to Monitoring & Evaluation for Coastal Adaptation

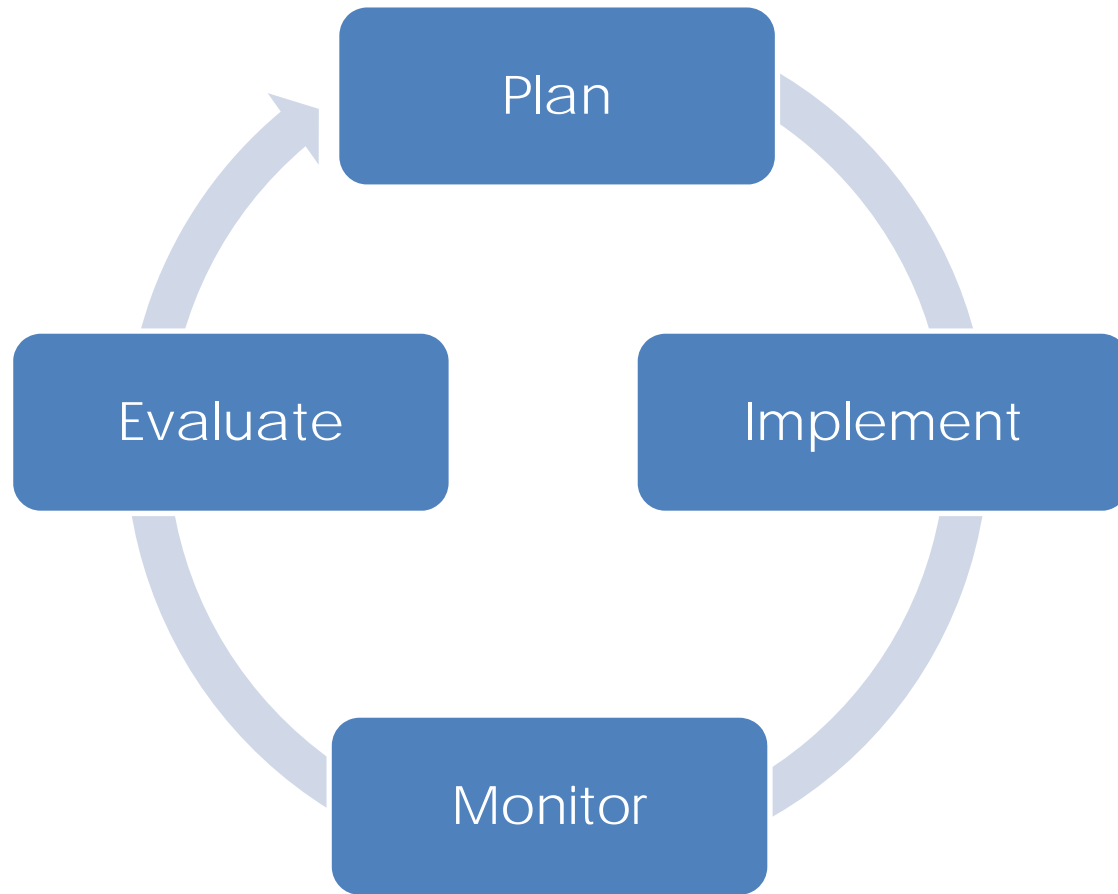

WHY UNDERTAKE M&E?

Benefits of M&E

- Track progress
- Identify successes and failures
- Promote transparency and accountability
- Question / test assumptions

Learning by doing

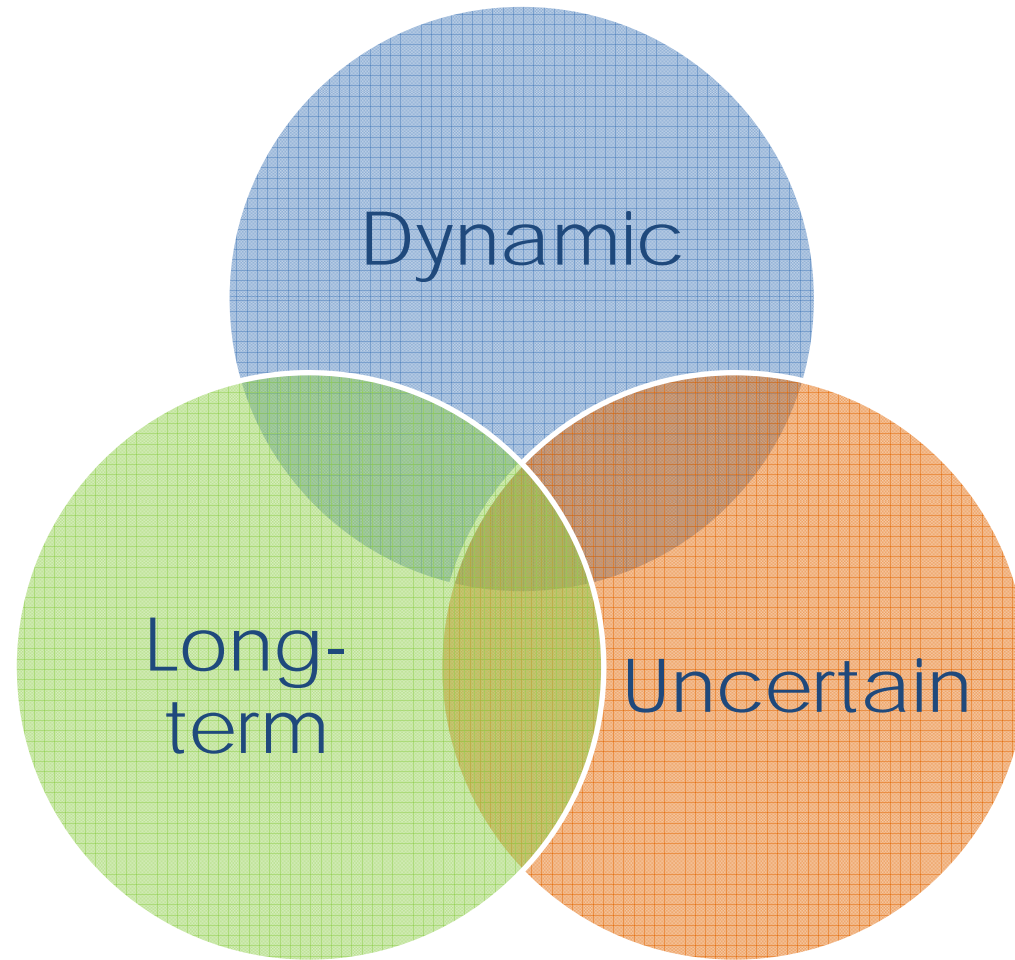

Benefits of M&E

- Information-sharing (capacity building)
- Building 'institutional memory'
- Basis for future decision-making

M&E FOR ADAPTATION

Adaptation is....

A vibrant blue sky filled with fluffy white clouds. In the center, a bright light source creates a sunburst effect with rays of light. Below the light, a series of white, glowing steps or a staircase leads upwards, disappearing into the clouds. The overall scene is bright and uplifting.
