

SYDNEY COASTAL COUNCILS GROUP INC.

councils **caring** for the coastal and estuarine environment

# Support Officer – Coast & Estuaries

Information Package

November 2021

## HOW TO APPLY

Thank you for your interest in applying for the position. The following information has been provided to assist you with your application.

### What should I include in my application?

Applications should be clear and concise and **must** include:

- a) A resume that summarises your employment history, experience, education and the name and telephone number of two referees (people who have directly supervised you or who have knowledge of your capacity to perform the duties of the advertised position)
- b) A letter addressing essential and desirable selection criteria is required in order for your application to be assessed.

You could use the follow five steps to assist you to write your response:

- a) Open with a positive statement explaining how you meet the criterion.
- b) Provide an outline of a situation where you applied the skill etc. detailed in the criterion.
- c) Outline your role or responsibilities in this situation.
- d) Detail the actions you took to achieve the outcome(s).
- e) Describe the result(s) of your action(s).

### Submission of applications

Applications are to be submitted by email to [info@sydneycoastalcouncils.com.au](mailto:info@sydneycoastalcouncils.com.au) by the closing date with the title 'Application for Support Officer Position'.

### Closing date

5pm on 30 November 2021

### The selection process

The SCCG's selection process is based on merit principles and equal employment opportunity.

Addressing the selection criteria is an important element of your application. Do not simply state that "you meet the criteria" - list each criterion as a heading and under each heading clearly explain how you meet it, providing examples where possible to support your claim(s).

### The selection panel

The selection panel is responsible for assessing the relative merit of your application by reviewing your resume and how well you meet the selection criteria. The SCCG Secretariat will shortlist applications identifying applicants for further assessment by determining who best meets the criteria. Applicants shortlisted for further assessment will be contacted and invited for an interview before the selection panel. An assessment is made of the relative suitability of applicants - assessing the relationship between an applicant's qualifications, skills, knowledge and attributes and those required for the position.

### Referees

Ideally one of your referees will be your current supervisor or manager. We will not contact your referees without first discussing this with you. Applicants are strongly encouraged to make suitable arrangements with their nominated referees prior to the lodgement of their application.

### Making an offer

The successful Applicant will be offered employment once reference checks have been undertaken and the results confirm that the Applicant can meet the requirements of the role.

### **Additional Information**

If you have any queries, please contact Sarah Joyce, Executive Officer at [executiveofficer@sydneycoastalcouncils.com.au](mailto:executiveofficer@sydneycoastalcouncils.com.au)

### **The SCCG**

The Sydney Coastal Councils Group (SCCG) is a voluntary Regional Organisation of Councils representing nine coastal councils ([www.sydneycoastalcouncils.com.au](http://www.sydneycoastalcouncils.com.au)). Established in 1989, it promotes cooperation and coordination between Member Councils with the mission to provide leadership through a coordinated approach to sustainable coastal management. The organisation's activities are conducted by the Secretariat which currently comprises the following key roles:

- Executive Officer (EO)
- Project Coordinator (PC)
- Support Officer – Coast and Estuaries (SO)

The EO administers the Group and its Committees and manages the finances of the Group. The EO reports directly to the Chairperson and the Group's Executive Committee.

The Group consists of four primary committees:

- The Executive Committee (Councillors and Senior Staff)
- The Technical Committee (Technical Staff)
- The GM/CEO Forum (GM/CEO of Member Councils and Senior Staff)

Additional Information related to Sydney Coastal Council Group and its activities can be found on our website [www.sydneycoastalcouncils.com.au](http://www.sydneycoastalcouncils.com.au)

- Prepare and review agendas for meetings/events and write up meeting minutes, and workshops outcome reports
- Prepare correspondence and other documentation.
- Maintain a central diary of commitments of the Secretariat to assist in the efficient operation of the Group

- Manage logistics for internal events and meetings, including venue booking, catering, registrations, and setup; and for staff attending external conferences/seminars/courses and events including registration, flight and accommodation bookings.
- Manage the stationery order and supply, and other procurement requirements of the Secretariat.
- Manage and maintain the office equipment, and administer the Group's IT systems and software licences, and the management of the external IT contractor as required.
- Prepare the annual SCCG Funding Guide
- Assist in the delivery of environmental education programs
- Assist in making updates/changes to the SCCG website as required
- Assist in the collation of research, pulling together information for case studies and reports, as well as creating surveys using survey monkey.
- Assist in the exchange of information/resources between SCCG, member councils and other stakeholders, including accessing up-to-date publications and information on coastal management issues and trends, science, legislation and policy relevant to local government.
- Provide a high level of customer service to members and other stakeholders (on the telephone, written correspondence and when representing the SCCG in person).
- Perform other relevant duties as directed by the Project Coordinator and/or Executive Officer.

## KEY ATTRIBUTES

- Efficient, Self-motivated and uses initiative in planning and implementing tasks
- Ability to take direction, and then work either independently or within the team to complete tasks/projects to desired outcomes.
- Flexibility - demonstrated ability to adapt and welcome new ideas, and a willingness to tackle challenges.
- High level attention to detail
- Productive with an ability to multi-task
- High level customer service and ability to build and maintain relationships
- Friendly and team orientated
- Honesty and professional integrity
- Interest in working in the environmental field
