Green box – new or amended initiative

2019-2029 Objectives	2024 Initiatives	Priority	Key Mechanisms for Delivery (Table 2)	Funding Source
<b>Goal 1: People and Places Adapt to Climate Change Future Shocks and Stressors</b>				
<b>a. Coastal management programs in our region are delivered effectively and efficiently</b>	i. Advocate for a whole-of-catchment CMP to be delivered for Greater Sydney Harbour	2	SCCG’s CMP Leaders meetings Advocacy submissions	Membership fees
	ii. Continue to identify impediments to the CMP process and advocate for these to be addressed on behalf of members.	1		
	iii. Initiate a project to prepare a coastal adaption planning framework for Greater Sydney Harbour and other member Councils	1	TBD	Subject to Ministerial Direction and Coast and Estuary Grant Application
<b>b. The resilience of our region to the effects of natural hazards and climate change is increased</b>	i. Identify and support funding opportunities for research and implementation of actions that deliver climate change adaptation and resilience.	2	Grants Committee	Membership fees
	ii. Advocate for and promote planning principles, controls, policy frameworks and guidance that enhance community resilience to natural hazards and climate change impacts, such as coastal vulnerability areas, disaster adaptation plans and coastal adaptation guidance.	1	Advocacy Submissions Technical Committee	Membership fees
	iii. Investigate opportunities to apply for a C&E Grant to develop studies that assist multiple CMPs.	2	Grants Committee SCCG’s CMP Leaders	Membership fees

## SCCG 2024 Operational Plan

**Abbreviations:** C&E Grant – Coastal & Estuary Grant, CMP – Coastal Management Program, MEMA – Marine Estate Management Authority, SIMS – Sydney Institute of Marine Science, SOPA – Sydney Olympic Park Authority, TfNSW – Transport for NSW

2019-2029 Objectives	2024 Initiatives	Priority	Key Mechanisms for Delivery (Table 2)	Funding Source
	iv. Work with councils to facilitate priorities and implementation of works to address coastal hazards including beach nourishment	1	meetings SCCG’s Sand management Working Group	Membership fees
<b>Goal 2: Waterways and foreshore are protected and healthier</b>				
<b>a. Direct and indirect pollution loads are reduced in key hotspots in our region</b>	i. Monitor and identify actions to address pollution hotspots through the Sydney Water Incident Status reporting system	1	SCCG and Sydney Water meetings	Membership fees
	ii. Work collaboratively with government agencies, organisations and academic institutions to identify and address existing and emerging water quality/pollution issues.	1	SCCG and Sydney Water meetings	Membership fees
	iii. Facilitate the Get the Site Right program and encourage all member councils to participate in addressing sediment and erosion on construction sites.	1	Get the Site Right Planning Group meetings	Membership fees
<b>b. Improved water quality at beaches and estuaries in our region</b>	i. Continue to prepare regular water quality monitoring reports and provide to Committees for consideration and necessary action (e.g. Beachwatch).	2	Executive Committee	Membership fees
	ii. Collaborate with Sydney Water on water quality strategies/projects.	1	SCCG and Sydney Water meetings	Membership fees

## SCCG 2024 Operational Plan

**Abbreviations:** C&E Grant – Coastal & Estuary Grant, CMP – Coastal Management Program, MEMA – Marine Estate Management Authority, SIMS – Sydney Institute of Marine Science, SOPA – Sydney Olympic Park Authority, TfNSW – Transport for NSW

2019-2029 Objectives	2024 Initiatives	Priority	Key Mechanisms for Delivery (Table 2)	Funding Source
<b>Goal 4: The SCCG Region is comprised of sustainable, liveable and ‘smart’ cities</b>				
<b>a. Water flows are captured and re-used through Water Sensitive Urban Design (WSUD) practices.</b>	i. Work with Stormwater NSW to advocate for improving the process by which developers and consent authorities prepare, submit, assess and approve development applications to ensure compliance with WSUD-based development controls.	1	Advocacy Submissions	Membership fees
	ii. Facilitate and/or raise awareness of WSUD capacity building programs for members.	1	Technical Committee	Membership fees
<b>b. Identification of best practice examples of sustainable, liveable, smart cities.</b>	i. Assist members in research and distribution of information/case study material on examples of actions to achieve liveable, smart cities.	2	Technical Committee SMART and Local Feedback Forum	Membership fees
	ii. Deliver the Smarter Cleaner Sydney Harbour project funded under the NSW Government’s Smart Acceleration Program in partnership with SOPA and CSIRO	1	Partnership with SOPA and CSIRO	Smart Places Acceleration Program
<b>Goal 5: There is a collaborative, effective and consistent approach to coastal and estuarine management</b>				
<b>a. SCCG outputs are improving the capacity of its member Councils to protect and manage its coastal and marine</b>	ii. Advocate regionally and at a state and federal level of behalf of members on sustainable coastal management, consistent with the SCCG strategic goals and where there are common advocacy positions among member councils.	1	Advocacy Submissions	Membership fees

## SCCG 2024 Operational Plan

**Abbreviations:** C&E Grant – Coastal & Estuary Grant, CMP – Coastal Management Program, MEMA – Marine Estate Management Authority, SIMS – Sydney Institute of Marine Science, SOPA – Sydney Olympic Park Authority, TfNSW – Transport for NSW
